Specialty Feeds Research Awards Scientific Award 2012

There are three prizes to be won:

1st prize of \$1,000, 2nd and 3rd prizes of \$500 each, to be used to fund attendance at a conference or training of the winner's choice.

Prizes will be given to a research project using a custom diet. The intention of this award is to encourage the sharing of knowledge about the use of custom diets for laboratory animals.

To enter the 2010 awards, please complete the form below, attach the required documents, and return it to Specialty Feeds by 30th November 2012.

General conditions:

1. The recipients of the awards will be chosen by a panel of judges, including a representative from Specialty Feeds and one from ANZLAA. The judges' decision will be final.
2. All prizes will be in the form of financial assistance towards attending a conference or undertaking training of the winner's choice, either in Australia or overseas. Funding will be given for registration, travel or accommodation up to the value of the prize.
3. The number of prizes to be awarded will be determined by the number of entries.
4. Entries for this award may take the form of a research paper, poster, or abstract.
5. To be eligible for the awards the research work must have been carried out in either Australia or New Zealand during the previous two years, and be either published or ready for publication.
6. Winners of the awards may be featured in publicity material relating to the awards.
